Special Mayhem Edition

An alarming amount of violence has arisen across the world. From the mobile bankrobbers of the United States, to the political violence in South America and the wars in the Far East, it's a rising problem. Here are some illustrative shots of the world-wide mayhem,

Above Left: pirates drive a truck onto an airplane landing strip in Bristol New Jersey, moments before rushing the plane.

Above Right: innocent travelers in Mexico defending themselves against bandits

Below Right: Bandits prepare ambush in Mexico
