

## The Road Grid Battle Mat

This urban battle mat should prove very useful for To A Bloody Pulp.

Here's a Scheme of the layout:

Block 1 21" x9-12"	Road	Block 2 19"x21"	Road	Block 3 18"x15-16"
Road	Road	Road	Road	Road
Block 4 21"x10-12"	Road	Block 5 21"x21"	Road	Block 6 21"x10-12"
Road	Road	Road	Road	Road
Block 7 22"x14"	Road	Block 8 22"x21"	Road	Block 9 22"x10-12"

Notice that the left and right margins (especially) are not cut or printed evenly, so there is a variable width in many of the blocks.

The first number is the height, the second number is the width.

The entire grid is 6 foot by 4" (so 1 foot of length will have to overhang the table)

The roads are 7" wide, and run the length of the map in each direction
