

THE STARKPOOL REPORT

Issue #5, May 1, YN 1025.

"All the things that people are talking about"

ITEM #1: Squabble Among the Savages

4/12

The notorious barbarian raider Ingvar of Barlburg defeated the notorious Necromancer Baron Fangola in battle in the northern grassland. Ingvar scattered Fang's army and rescued 200 dwarf captives whom the forces of Chaos had taken from Hell-hole in Barl-land. There was much loss of life on both sides, which is good news for all of us in Starkpool.

ITEM #2: Caution and Preparation

4/18

Many villages from Fang to Dorgstyn and Lorn to Braxx have been seen to be building stockade defenses. The outbreak of war and raiding has caused many to look more closely to their security. This is in line with the recent hiring of the Engineers Green Floki, by Barlburg, and Stokes Lezar, by Sinxth.

ITEM #3: Reconciliation in Action

4/19

Lt. Grouch of Sinxth has taken up command of the Frud Gung garrison, announcing that the garrison will withdraw May 1, handing the tower back to the Dwarves of Dorgstyn. Earl Rockhank has issued a summons to court to the Gnome Marvelous, Mayor of Bridgeton, to answer accusations from the spirit of St. Gordon that he had robbed the earls of Sinxth.

ITEM #4: What is Evil Jack Palance up to?

4/26

Fresh from his murder of 2 holy bishops, Baron Braxx seems to be lurking in the dark, hatching sinister schemes. What we do know is that he sent the notorious Mad Marauders on 2 expeditions into the "Kill Tunnel" in the Unknown Mountains, returning with mysterious secrets.

ITEM #5: New Bishops Appointed

4/29

After the tragic martyrdom of Bishop Enzo and Bishop McSmash, new candidates have been chosen. Earl Rockhank announces that Titus Fermentus is taking the seat in Dorgstyn. The name of the new bishop of Sinxth is yet to be announced.

ITEM #5: Where were the Gnome Lords?

4/30

The two Gnome vassals of Dorgstyn, Amazing! and Mayor Marvelous, disappeared for a week or so, departing with 15 gnome archers of the Bridgeton garrison and returning with 10, all flush with cash. Could this have something to do with the court summons?
